

PVC Luggage Tag

Soft and flexible PVC rubber luggage tag with a removable address label which offers the option of three dimensional branding on one side. This allows part or all of the artwork to be raised from the surface of the product for maximum impact. Pricing includes up to four PVC colours with more colours available for an additional charge. Both the luggage tag and the PVC strap are available in almost any colour but PMS colour matches are only approximate. Simply send us the artwork and we will create a stunning design. A production lead time of 20 working days applies to this product by air freight and larger orders can be sea freighted on request to reduce the freight cost.
