

Zamora Wireless Charging Phone Holder

Unique spring loaded car phone holder which has a built in 5 Watt wireless charger. It has a soft rubber clip which pushes onto car air vents and securely holds a phone so it can be used and charged at the same time. Simply plug the unit into the USB port of a car adapter and it is ready for use. It is compatible with devices that are enabled for Qi wireless charging and will charge most modern phones including iPhone 8 upwards, Samsung Galaxy S6 upwards and many more. Zamora has a handy slot in the back for the cable to pass through and a very prominent branding area. It is supplied with a Micro-B USB cable and an instruction leaflet.
